

TCI[®] Announces 2016 Master Catalog

Ashland, MS – A brand new catalog from the drivetrain experts at TCI[®] provides a wealth of product information along with a variety of helpful tech tips.

The latest TCI[®] Master Catalog is made up of 160 full-color pages showcasing the drivetrain leader's transmissions, shifters, torque converters, electronics and related products in the areas of street, circle track, drag race and heavy-duty/towing. A Quick Reference Guide at the front of the catalog allows readers to easily choose the best components and performance packages for street vehicles. A new shifter selector chart also makes choosing the proper shifter easier than ever with a comprehensive list of features and available applications. The catalog includes a variety of diagrams and illustrations, plus FAQs, tech tips and other reference material. An application-specific page number index aids in finding pertinent information in a hurry. The 2016 TCI[®] Master Catalog is available online at www.tciauto.com and at car shows and other automotive events around the country.

About TCI[®]

When TCI[®] opened its doors in 1968, it was a modest operation dedicated to delivering high performance transmission-related parts to a small group of drag racers. From those humble beginnings in Memphis, TN, TCI[®] has grown to be one of the largest and most technologically advanced manufacturers of high performance aftermarket drivetrain products. Now located in Ashland, MS, some 45 miles from parent company the COMP Performance Group[™], TCI[®] continues to set trends and expand its line of quality transmission, torque converter and accessory parts. For more information about TCI[®] and its products, visit us online at www.tciauto.com, or call us at 1.888.776.9824. Also follow us on Facebook at [facebook.com/TCIAuto](https://www.facebook.com/TCIAuto) or Twitter at twitter.com/TCIAuto, or visit our YouTube channel at [CPGNationTV.com](https://www.youtube.com/channel/UCPGNationTV).
